**LAST WEEK:**

**Thumbnail duet:**

**Greg Smith:** from central Queensland, Gladstone, Bundaberg and Rockhampton where he attended university. His first employment was with Bundaberg sugar and then moved between Bundy and Gin Gin and Innisfail and back to Rocky to work for a construction company and a radio station, 4RO

He joined the breakfast Rotary club and was treasurer and president before his move to us in Hobart after being invited to move with the My State merger.

Greg and his wife, Sarah took on the adventure and with their fur person dependent, has settled in New Town.

Greg's plan is to go where the work is!

Hobart, as a capital sees many more events than were accessible in central Qld.

**Alex Brownlie:** A story told with caps!

From Hobart - his family of 5 brothers and a sister. His first work from uni was with Hobart City Council as a planner, moving to the Town and Country Planning Ass and with that position moved to Launceston for a plan of a 3 year stint which grew to be 23years!

Alex joined Rotary in Launceston and won a trip to Scotland from there and that trip, and his trips with his work saw them travelling often to places such as New York, Quebec(note the warm hat from there), Africa and Europe. Alex's caps were form many of these wonderful trips as well as St Kilda FC.

Alex, the showman, enjoys performing on stage and brought us some fabulous photographic evidence of his stage presence.

Alex, his wife Penny and their 3 children moved back to Hobart 2 years ago
