Gerard gave an overview of his year ahead as District Governor (DG) His visits to all clubs are to meet, encourage and support all members of Rotary clubs in Tasmania.

He talked of the End Polio project and how close we are to achieving zero cases in the world. Also mentioned was the 100 years of the Foundation which started with \$26.50 as a start to do good in the world.

Membership in the state's clubs has been declining, but we at Salamanca, have maintained numbers and it is the best result in the district.

The White Ribbon project is a focus this year in this district.
