He has been involved at district level for the past seven years, including a year as district secretary. Gerard and Fiona have been passionate supporters of Youth Exchange, hosting students, being counsellors for both inbound and outbound students and spending five years on the District Youth Exchange Committee. Gerard and Fiona were married in 1993 and have three children and two grandchildren. Spending time with family and friends is important to them and they enjoy travelling, having had several trips both within Australia and overseas.

LAST WEEK: Fellowship

This was the last meeting for **Ainstie** as president, but an informal happy morning of fellowship and discussion. Roles in the new Rotary year were discussed and lists of vacancies were passed around for volunteers to step up.

Follow-up from Sandy Bay dinner meeting was discussion of the **Skyhydrant** water filtration system and its benefits and applications for disaster aid.

DG(District Governor) visit next week. His focus of discussion may be the **White Ribbon Project**.
