Keith discussed low member numbers for breakfast meetings over the last few months. Another method of gaining club activity may be to approach community organisations to ask if they need help rather than wait for a request.

Rosanne and Christine talked of the Garden Club Symposium to be held in March next year and that this may be a catering event for our club. Also discussed was finding a new venue for BBQ which would raise more funds and need less regular events, eg Bunnings, or another retailer. Keith will follow this up

Alex we are looking for a host for the German New Generation Service Exchange candidate in early November for 4 days.
