**Last Week:** “Tattoo” Tim Steiner  
We had a delightful and entertaining talk from Tim, from Zurich, who was given the opportunity to become a piece of art. He underwent 2 years of tattooing with a design by Wim Delvoye. He was sold as an art piece and has travelled the world, for 10 years to sit on a box as an exhibit. He has been exhibited at MONA twice. He is currently 8 months into a yearlong stint here at MONA, and he has developed a love of Tasmania, especially for its sense of warmth and integrity. The most amazing challenge is to do nothing.....for hours and hours... He is up to 980 hours on this trip...
