

## Club History

---

**Being part of the Rotary Club of Salamanca is a great way to be active in your community but also to make a difference on a global scale.**

The Rotary Club of Salamanca was chartered on 12 May 1993 as Tasmania's first breakfast club and first mixed gender club. The very foundation of this new club recognised the contribution made by all to the ideals of Rotary. The club has a vibrant membership and has maintained the mixed gender membership.

Meetings are held at the Hobart Function Centre. This outstanding location combined with a relaxed and friendly club atmosphere has drawn many to become members.

Important to club members is the supportive family atmosphere, social diversity, gender balance and productive yet fun meetings.

The club is characterised by being very "hands on", focused on fun and participation.

All members' input is highly valued. Maintaining open to new ideas, responding to the present and striving to continually reinvent ourselves by remaining current and relevant are hallmark values of the club.

Responding to local and national and international needs provides a focus for members.

Our members strive to uphold the Rotary 4 way test:

- 1. Is it the TRUTH?**
- 2. Is it FAIR to all concerned?**
- 3. Will it build GOODWILL and BETTER FRIENDSHIPS?**
- 4. Will it be BENEFICIAL to all concerned?**
