Group 1 Forum

There was no breakfast meeting last week as the Group 1 Forum was held the preceding evening, at which Bidy Fisk (seen above with fellow Rotarian Lorraine Walker) spoke about The Rotary Tasmania Gynaecological Project. This initiative aims to raise funds for clinical trials into treatment for gynaecological cancer, and is supported by Rotary Tasmania Community Care. There's more information in the District 9830 Directory under 'Service Projects, DG's Focus Projects', page 41. (Thanks Pam for the photo)
